

When there is a need, there is a way!

 belaccurate  
We Deliver the Promise

## **We strive to assist our customers with key services in the transport and logistics industry**

BE ACCURATE, founded in 2015, covers a full range of services in the international transport and logistics business.

Our philosophy is to offer you the optimum freight solution for your goods. Commitment, accuracy, effectiveness, and flexibility are the values that underpin strong and long-lasting relationships with our clients. With a highly expertized human resources, located at Piraeus – the biggest port in Greece – BE ACCURATE manages to face the big challenges in the demanding forwarding and logistics field.

We are committed to operate under a certifiable Quality Management System. BE ACCURATE is ISO 9001, ISO 14001 and ISO 45001 certified. Especially, for the transportation and handling of Pharmaceutical we operate GDP compliant services. Furthermore, recently the company was recognized as an Authorized Economic Operator. AEO is an international standard which shows that business's role in the supply chain is secure and has customs controls in place that are compliant and efficient.

We cover the entire supply chain, using Greece as the gateway to Europe and providing thus our clients the best solutions for transporting their goods worldwide!
